Description of project and its purpose:			
Construction of a new 7,475± SF CarMax automobile facility. The proposed construction will include paved parking area for automobile sales, site utilities, and storm drainage facilities which includes multiple underdrained subsurface sand filters.			

I am filing notice of my intent to carry out work which meets the requirements of the Construction General Permit (effective 3/10/03). I have a copy of the Construction General Permit. I have read and will comply with all of the standards. I have attached all the required submittals. *Notification forms cannot be accepted without the necessary attachments.*

- ALL: A check (non-refundable) made payable to: "Treasurer, State of Maine." See DEP fee schedule for correct fee. You must know # of acres being permitted to determine the fee.
- ALL: A U.S.G.S. topo map or Maine Atlas & Gazetteer map with the project site clearly marked.
- ALL: Drawing of the proposed activity (site plan).
- ALL: An ESC plan.
- IF this form is not being signed by the landowner or lessee of the property, attach documentation showing authorization to sign.
- IF any construction activity will occur in essential habitat, attach written approval from the Dept. of Inland Fisheries & Wildlife.

I authorize staff of the Departments of Environmental Protection to access the project site for the purpose of determining compliance with the general permit. I also understand that **this permit is not valid until approved by the Department or 14 days after receipt by the Department, whichever is less.**
