**AUCTIONS FOR THE SALE OF CITY AND/OR SCHOOL DEPARTMENT
SURPLUS VEHICLES AND/OR EQUIPMENT**

You are invited to participate in our periodical On-Line Auctions for the Sale of Surplus by the City of South Portland.

Interested participants are invited to submit their bids at the following website:

<http://www.auctionsinternational.com/>

Use the Zip Code box (04106) to locate our items.

Bidding times will vary by auction and by item. As this will be an on-going process to dispose of the City's surplus, I will no longer be sending out "Invitations to Bid".

All available information on the items is listed in the posting including location of items and who to contact for viewing of items.

All auction items are to be sold for cash on an "as is" and "where is" basis and are being offered for sale without any guarantee regarding condition and bidders should determine for themselves the condition, etc., of the items on which they bid.

Per the City's Purchasing Ordinance, awards in excess of \$5,000.00 require Council approval before award can be made. Successful bidders will be advised of the item(s) they have been awarded and they must make full payment through the Auction site where they will be given a receipt which will be their authorization to pick up the item(s) they have been awarded. Successful bidders are required to pay for and remove their time(s) from the City premises within 14 days after notification.

The City may, if it feels it to be necessary, withdraw any used vehicle from sale before the awards are made.

The City of South Portland reserves the right to waive all informalities in bids, to accept any bid or any portion thereof, or to reject any or all bids should it be deemed in its best interest to do so. Except as otherwise required by law or as specifically provided to the contrary herein, the award of this bid shall be governed by the City's purchasing ordinance.
