Assistant Supervisor: Kipp Powell

Telephone: 207-553-0175

Is the terminal a member of a harbor cooperative? Yes No

If yes, please name the cooperative: N/A

1. What pollution control equipment is now available and where is it located?
See Attachment A
2. What fire prevention equipment is available and where is it located? Does the terminal meet the requirements of 06-096 CMR 600, Section (7) (G) for fire prevention? Yes No

If no, please attach the terminal's alternative fire protection plan and approval from the local fire department.
N/A

3. List the storage tanks information on page 4 & 5.
See Attachment B
4. List the tank dike information on page 6.
See Attachment C
5. Attach a list of tanks and that have been upgraded and or inspected since issuance of your last license. Attach any documentation that indicates that the inspections were performed in accordance with the requirements found in 06-096 CMR 600, Section (9) (C) (2)(h),(i) and (j) if asphalt tanks.
See Attachment D and E
6. What tank numbers at the terminal are temporarily out of service? Tank A9
If so, do these tank(s) meet the requirements found in 06-096 CMR 600,
 Yes No
Are any tanks at this facility permanently out of service? Yes No
If so, do these tanks meet the requirements found in 06-096 CMR 600,
Section (12) (C) (1)-(4)? Yes No N/A
7. Do the containment dikes at the terminal meet the requirements found in 06-096 CMR 600 Section (8) (D) for tank secondary containment? Yes No
See Attachment F and Attachment G
8. Attach documentation indicating that all underground piping is cathodically protected as required by 06-096 CMR 600, Section (8) (C) (6). The Department considers sections of above ground pipe that penetrate dike walls or run under roadways as underground piping

9. Attach documentation indicating that all under ground pipes at the facility are annually tested as required by 06-096 CMR 600, Section (9) (C) (2) (f).
See Attachment H
10. Attach documentation that indicates that above ground piping at the facility have been tested as required by 06-096 CMR 600, Section (9) (C) (2)(g) unless the above ground pipes can be visually inspected 360 degrees around its entire length.
See Attachment I
11. What devices are used by the terminal owner/operator to meet the requirements of 06-096 CMR 600, Section (8) (F) truck and tank car loading and unloading?
See Attachment J
12. Attach documentation that indicates that the terminal operator maintains an up to date Contingency Plan and Spill Control and Countermeasures Plan as required by 06-096 CMR 600, Section (9) (A) (26) and (28).
See Attachment K
13. Attached a site plan of the facility that identifies any changes made to the following since the issuance of your last license:
See Attachment L
 - a. The location of all oil storage tanks, dikes, docks and associated pipelines.
 - b. Oil water separators and associated piping, drainage ditches and discharge points.
 - c. Tank truck and tank car loading and unloading areas.
14. Submit information indicating that the terminal drainage systems are in compliance with 06-096 CMR 600, Section (7) (E) (1)-(5).
See Attachment M
15. What numbers of tanks at the facility are riveted tanks 28, 29, 30, 26, 27, 33, 16, 17, 18, 19, 32, 31 Have any of these tanks been sealed in accordance with 06-096 CMR 600, Section (8)(B) (5) (b)? Yes No
See #21 - Attachment S
16. Attach documents showing evidence of financial responsibility in the amount of \$2 million per facility to ensure proper closure as required in 06-096 CMR 600, Section (9) (C) (5).
This must be specific to closure of the facility. General environmental liability does not cover closure.
See Attachment N
17. Submit documentation indicating that the facility inventory control meets the requirements found in 06-096 CMR 600, Section (9) (C) (a) and (b).
See Attachment O
18. Department policy requires the applicant's name on the final decision document issued by the Department to match the corporate name on file with the Secretary of State's office. Please submit a copy of your Information Summary Sheet from the Division of Corporations with your application.
See Attachment P
