## **City of South Portland: Designated Parklet Locations (DPLs)**

---

Pursuant to the City of South Portland Code of Ordinances, Chapter 23, "Streets and Sidewalks", Section 23-101, the South Portland City Council adopts this list with accompanying map exhibits as the official "Designated Parklet Locations" of the City. DPLs delineate areas within the City where a Parklet proposal may be submitted to the City for consideration pursuant to Chapter 23, Section 23-102 et seq., of the Code of Ordinances.

Areas identified as a DPL are general in nature, and do not include public sidewalks and traveled ways that may lie within a DPL. A DPL establishes an area where a Parklet may be proposed, however each individual Parklet, and its associated areas and improvements, shall be evaluated pursuant to Sections 23-104 through 23-106, and subject to the Terms and Conditions outlined in Section 23-107. The City reserves the right to deny a Parklet within a DPL, or require the relocation of a Parklet within a DPL as provided in Chapter 23.
