

It's that time of year again!

To report a pothole in South Portland, use the online [Citizen Request Form](#) or call Public Works at 207-767-7635.

Per Maine State Law, municipalities do not assume liability for damages sustained to a vehicle unless the pothole was reported but not repaired within the 24-hour period following the time of actual notice. To report damage to a vehicle for a reported but unrepaired pothole, please call Michele at (207) 767-7605.
