Bike/Ped Committee Minutes

Attending: Tex Haueser, Planning Dept., Paul Neihoff, PACTS; Alan Mills, Bike/Ped; Sue Henderson, City Council; Rosemarie De Angelis, Bike/Ped Chair; Carole Brush, guest/Eastern Trail

Our meeting was dedicated to Carole's presentation on the Eastern Trail, including the present project of joining the end of the trail from Wainwright Fields to the Scarborough connection. The presentation was interesting and well presented.

Our goal would be to have her return again as the project gets underway and possibly present to a larger group.

No other items were discussion. No actions taken.

Respectfully submitted,

Rosemarie De Angelis, Chair
