PUBLIC WORKS DEPARTMENT
Solicitation of Bids

ONE (1) NEW OR CURRENT YEAR ¾ TON PICKUP

The City of South Portland, Maine, is soliciting bids for one (1) new or current year ¾ ton pickup as described within. These proposals will be received **until 2:00 PM on Tuesday, September 6, 2022**. Late proposals will not be accepted.

Proposals should be submitted electronically to mfitzgerald@southportland.org with the subject as **Bid # 08-23**. Electronic copies must be received by the deadline above.

Vendors must be registered to submit a proposal. Proposals from vendors not registered with the City may be rejected; receipt of this document directly from the City indicates registration. To register, email mfitzgerald@southportland.org. All proposals shall include the enclosed Proposal forms. Proposals will remain open for sixty (60) days after their opening.

General Specifications

These Specifications are intended to ONE (1) NEW OR CURRENT YEAR ¾ TON PICKUP and is to conform to all EPA and DOT regulations in effect at the time of delivery. The vehicle shall be equipped with all standard equipment, components, and safety features necessary for operation and normally supplied, even if not identified in specifications. The equipment shall have full manufacturer's preparation, title, and be ready for service upon delivery. The equipment shall come with a full warranty and option of extended warranty.

Bidders shall list and explain in writing any and all deviations from these specifications. Bidders shall provide sufficient detail and proof needed to assist the city in fully evaluating compliance with detailed specifications. Failure to do so may result in rejection of the bid in its entirety.

The equipment will be delivered with all the proper paperwork to insure and register the equipment in a timely manner.

ONE (1) NEW OR CURRENT YEAR ¾ TON PICKUP

COMPLIANCE TO SPECIFICATIONS

It shall be the bidder’s responsibility to carefully examine each item of specification. The bidder shall indicate **100%** compliance by checking “Yes”. Any deviation from the specification as written must be marked “NO” for each line item. **Unilateral interpretations will not be accepted.** Failure to offer a properly completed bid or failure to respond accurately to each individual item of the technical specification may cause the offender’s bid to be rejected. Where the bidder answers “NO”, all such variances, exceptions, and/or deviations shall be fully described in writing, identified by section, sub-section and line item, on attachment marked “Exceptions/Deviations –Notations Sheet”. Any space left blank shall be considered non-compliant. **NO verbal interpretations will be accepted!** Bidders shall not use deceit or false statements in responding to written specifications as such may be cause for rejection of bid and/or other penalties.

Bidder shall check the yes box if they comply or the no box if they are taking exception to that line item. All exceptions must be clearly explained in the bid materials. This page must be submitted along with the Bid Form.	COMPLIANCE
