

ARTICLE XVII. SHORT-TERM RESIDENTIAL RENTALS

Sec. 14-800.

Purpose.

The City Council hereby finds that unregulated short-term transient occupancy of dwelling units in residential neighborhoods presents a threat to the public welfare relating to compatibility with residential uses and preservation of the character of the neighborhoods in which they are located, and to the availability of housing stock in the City. The purposes of this Article are: (a) to balance the desire of property owners to rent their residential properties to short-term rental guests for compensation against the desire of residents to preserve the traditional peace and quiet of their residential neighborhoods; (b) to preserve and protect residential neighborhood character and livability from the nuisance impacts that are often associated with short-term rentals; (c) to prevent long-term rentals from being replaced with short-term rentals; and (d) to ensure the safety of occupants of short-term rentals.
