

PARK USE POLICIES & RULES

It is the policy of the City of South Portland Parks, Recreation & Waterfront Department (hereafter the “Department”) that some of the buildings, parks and other facilities owned by the City and overseen by the Department should be made available to the public to use for activities that benefit City residents, at a reasonable cost. Therefore, the Department sets forth the following rules and regulations for the management and protection of the public facilities it oversees and for the protection of the persons granted permission to use the same.

Failure to observe and abide by the Facility Usage Rules and Policies may result in the immediate termination of the Facility Use Permit, forfeiture of all fees and removal from the reserved facility.
