

## Healthy Lawn Care Workshop

Grow a beautiful lawn without weed  
and bug killers and with less fertilizer

Join the Cumberland County Soil & Water Conservation District to learn about healthy lawn care. South Portland residents are subject to the City's pesticide ordinance as of May 1, 2018. This class will teach tips and tricks for growing a beautiful lawn without weed and bug killers, so you can comply with the ordinance. Whether you maintain your own lawn or hire a professional, this workshop is for you!
