COMMUNITY DEVELOPMENT ADVISORY COMMITTEE
Program Year 2021

COVID-19 Pandemic, the CDAC is committed to service the residence of South Portland; as such, we are required to hold in person public hearings. Exception to this apply when national health and local health authorities recommend social distancing and limit public gatherings for public health reasons.

When virtual hearings are used, real-time responses and accommodation for persons with disabilities and/or with limited English proficiency will be made available to the greatest extent possible.

Below is our projected annual schedule for the 2021 Program year. Any meetings listed as in person are subject to change to zoom should the executive order dictate. As such I have projected and listed our upcoming meetings in 2021 as person and onsite. I will update this schedule as needed and all final changes will be posted to the public on the City’s calendar and posted onsite at City website CDBG Page.
