Invitation to Bid

Bid #17-17

PURCHASE AND INSTALLATION OF STETCO 7 YARD DUMP BODY

Sealed bid to purchase and install a new Stetco 7 yard dump body or approved equal for the City of South Portland Sewer Maintenance Division as specified below, in the attached specifications and proposal, will be received by the City Purchasing Agent, 25 Cottage Road, South Portland, Maine 04106, until 2:00 p.m., Monday, November 7, 2016 at which time, they will be publicly opened and read aloud. Proposals received after the above stated day and time will not be considered.

Bids shall be submitted on the attached bid form in sealed envelopes, plainly marked “Bid #17-17 Stetco Dump Body” and shall be addressed to the Purchasing Agent at the above address.

Delivery to be made upon receipt of purchase order and shall be F.O.B., Sewer Maintenance Division, 1142 Highland Avenue, South Portland, Maine.

All equipment offered on this bid shall be brand-new and the latest type available. Bidder will state in his bid the name and model number of the equipment he is offering and will include with his bid a catalog or brochure marked to indicate the standard factory equipment of the model on which he is bidding. Bidder must attach a separate sheet to his bid listing any deviation from the minimum specifications shown. If no attachment is provided, it will be assumed that the item being bid meets the minimum specifications.

If the equipment offered by a bidder under the attached specifications meets the specifications except for minor factors or reasonably small amounts in dimensions, and if it shall be determined by the City that these minor variations from the specifications do not prevent the equipment being bid from performing as satisfactorily or from being as good as equipment fully meeting these specifications, then these minor variations from the specifications may be waived by the City, if it deems it to be to its advantage, and the equipment with the waived variations in specifications will be accepted as fully meeting these specifications.

Since a prompt delivery is required, delivery time, as well as price, may be a factor in determining the award of this bid.

There shall be, within the Greater Portland area, a repair service which shall maintain a stock of spare parts for any make and model of any vehicle that a bidder offers in the proposal.
The City is requesting bids with and without trade–ins and will select that bid it deems to be in its best interest to select. It is the custom of the City of South Portland to pay its bills within 20 to 30 days following delivery of and receipt of bills for all items covered by the purchase order. In submitting bids under attached specifications, bidders should take into consideration all discounts, both trade and time, allowed in accordance with the above payment policy. All bidders should quote net prices, therefore, exclusive of all Federal Excise Taxes and Sales Taxes.

The City of South Portland reserves the right to waive all informalities in bids, to accept any bid or any portion thereof, or to reject any or all bids should it be deemed in its best interest to do so. Except as otherwise required by law or as specifically provided to the contrary herein, the City shall govern the award of this bid’s purchasing ordinance.

Colleen C. Selberg
Purchasing Agent
General: The City is seeking a new, currently advertised 7 cubic yard Stetco dump body (or equal) to be installed on a 2005 Freightliner, M2106 chassis with proper CA and automatic transmission. The dump body must be new and produced by an established manufacture. No used or demo body’s will be accepted. Body paint shall match existing cab color code. Chassis will be delivered clean frame (South Portland will remove existing body-see pictures below)

Individual Components and Specifications

- Steel, 8 GA. Min Sides & Ends
- 7 Cubic Yard
- 3/16” One-piece floor with 2” Radius Corners
- 120” Long x 96” Wide Outside Dimension
- 30” Front, Side & End Height, vertical bracing on sides and gate (No cab shield)
- Manual Release Tailgate with Gasket Seal, water tight, and (2) Turn buckles
- Dirt Shedding Sides
- Full 6-inch min, Perimeter Splash Shield
- Full sub frame with rear hinge, and Class 50 hoist using existing single acting hydraulic system
- Mud Flaps, front and rear, with anti-sail brackets lighting LED DOT body lighting and oval LED strobes in rear posts.
- Spray-in body liner, floor sides, sides and tail gate
- Exterior color, Blue to match cab

QUOTATIONS MUST INCLUDE THE FOLLOWING INFORMATION:

1. Complete description of vehicle with applicable printed material.

2. Guaranteed delivery time after receipt of written order.

3. Bidder must list any deviations to the specifications

INSTALLATION:

1. The installer shall be responsible to ensure the proper location of the body on the truck to obtain the best working results. New Body must function with existing chassis.

2. All required Components shall be supplied by the installer so the body operates as intended. Retro Fitting new body on to existing chassis may require additional fabrication and components which will be included in the suppliers/installers bid proposal.

3. The City will remove the existing Body and paint frame rail before delivering chassis to successful bidder. (see picture of existing Chassis & Body attached)

Additional Information: Chassis can be seen by contacting David Thomes at 767-7680.
PROPOSAL

The UNDERSIGNED hereby proposes to furnish and install a new Stetco 7 yard dump body, or approved equal, to the South Portland Sewer Maintenance Division, in accordance with the attached Invitation to Bid, the attached specifications, and at the following price, warranty, and delivery time:
