Bid #22-22

MID-MOUNT PLATFORM QUINT FIRE TRUCK

Please note the following clarifications to the above stated bid due to be opened 2:00 P.M., Tuesday, November 23, 2021:

Vendor submitted question:

Page 7 of the RFP (line 8 of the Minimum Specifications section) calls for a minimum of 6 person tilt cab.

Page 21 lines 3 and 4 only refer to a driver, officer and 2 rear facing seats

Page 22 line 21 calls for an AM/FM radio with "4 speakers, one for each seated position". Is the cab to be a 4 person or 6 person cab?

Or is the intent to have 4 fixed seating positions and 2 additional flip-down/non-scba bench seats?

Answer/Clarification:

The cab is to have the driver's seat, front passenger and 2 rearward facing seats.

The front passenger and 2 rearward facing seats shall be SCBA seats.

There shall also be 2 forward facing seats on the rear wall. They may be flip down. All 6 seats shall be equipped with seat belts.

We consider the rearward facing SCBA seat and forward facing jump seat to only require 1 speaker per side. (Plus the speaker for driver and front passenger for a total of 4).
