Sealed bids for a three-year, annually renewable contract with the South Portland School District for a variety of asbestos abatement, indoor air quality services, PCB remediation, and associated testing and project management work, as described below, in the Specifications and Proposal, will be received by the City Purchasing Agent, Room 105, City Hall, 25 Cottage Road, South Portland, Maine until 2:30 P.M., Thursday, October 30, 2014, at which time they will be publicly opened and read aloud. Proposals received after that date and time will not be accepted.

Bids shall be submitted on the attached form in sealed envelopes, plainly marked "Bid #09-15 Multi-Year Asbestos Environmental Hazards Contract" and shall be addressed to the purchasing agent at the above address.

No guarantee is offered as to the quantity of work to be done during the award period.

The successful bidder will be required to sign a standard City contract and provide a certificate of insurance for public liability, property damage, and worker’s compensation coverage as stipulated in said contract.

This proposal, if accepted, shall become a contract and shall remain in effect during the period stated herein unless terminated at the request of the City of South Portland upon 30 days written notice, or immediately "for cause."

In the event that the successful bidder to whom the bid has been awarded should fail to do this work promptly and according to the specifications and prices of this bid, the City reserves the right to cancel the award to this bidder and obtain this work elsewhere.

The term of the contract resulting from this bid shall be for a three years beginning on the date of contract signature and ending on June 30, 2017. The City of South Portland reserves the right to extend the contract as it expires a year at a time up to and including a total of three years if mutually agreeable and the successful bidder agrees to the same terms and prices.

Each bid must be accompanied by a deposit of $1,000.00. This may be a properly certified check, bank treasurer’s check, bank cashier’s check, bank money order, cash or a bid bond. Checks and money orders shall be made payable to the City of South Portland and will be deposited in its account. Such deposits will be returned to the bidders within a reasonable time after signing of contract.

Each bid must also be accompanied by an insurance certificate for public liability, property damage and worker’s compensation. If the successful bidder fails to sign and return the contract and performance bond within 14 days after notification by the City that it is ready for signature, his/her bid will lapse at the election of the City and his bid deposit shall be forfeited and retained by the City as an agreed amount of liquidated damages. Should any bidder withdraw his/her bid prior to contract signing, his deposit will be retained by the City as an agreed amount of liquidated damages.

The successful bidder will be required to sign a standard City contract and provide a performance bond in the amount of $25,000.00.
If your business is a foreign corporation, limited liability company, limited partnership and or limited liability partnership, you must include with your bid, proof from the Maine Secretary of State’s office that you are qualified to do business in the State of Maine.

It is the custom of the City of South Portland to pay its bills within 20 to 30 days following completion of work and receipt of bills for all work covered by the contract. In submitting bids under attached specifications bidders should take into consideration all discounts, both trade and time, allowed in accordance with the above payment policy. All bidders should quote net prices, therefore, exclusive of all Federal Excise Taxes.

The City of South Portland reserves the right to waive all informalities in bids, to accept any bid, or any portion thereof, or to reject any or all bids should it be deemed in its best interest to do so. Except as otherwise required by law or as specifically provided to the contrary herein, the award of this bid shall be governed by the City's purchasing ordinance.

Questions regarding this bid should be directed to Russ Brigham, Director of Buildings and Grounds at 871-0565 Ext. 485.

Purchasing Agent
SCOPE: The nine buildings in the school district with three of them containing known asbestos containing material (ACM) in flooring and other identified building components. Similarly, some of them will develop Indoor Air Quality (IAQ) or have PCBs, lead and other hazards that will need to be tested, encapsulated, and/or removed in part or in whole. The successful contractor will be required to provide a number of services that include but not limited to the following:

1. Review, analysis, and estimating of work that arises at no cost to the school district.
2. Testing of material, air, water, etc. as needed.
3. All types of ACM investigation, identification of type and other hazards, plan development, and remediation management. Including 6 month surveillance and 3 year review and reporting.
4. Indoor Air Quality investigation, identification of mold spores and other hazards, plan development, and remediation management.
5. PCB investigation, identification, plan development, and remediation management.
6. Work plan for each job with proper required state and federal notifications and reporting for each job.

Compliance & Proper protection – All work and labor must comply with current local, state, and federal regulations for abatement of asbestos in schools and similarly for all other hazards that are found. All surrounding people, items and building components must be properly and adequately be protected, from accidental damage and environmental elements.

Warranty - Material and workmanship shall be warranted for a minimum of one year from completion. When work includes complete removal of hazardous substance than contractor will guarantee any required follow up if substance is found after completion of original project.

Any requested asbestos abatement, PCB, Lead, mold, etc., work will first be reviewed by the contractor and a Job Cost with Schedule will be provided. Each Job cost will include the following items as a minimum:

- Estimated start/end dates
- Number and type of Equipment to be used
- Number and type of people to be working and number of hours for each
- Purchase & marked up cost of any equipment, services, and materials that must be used to complete the work.

SCHEDULING: Available start date of work shall be the date of signature. All work as described above in scope of work shall be scheduled with the maintenance department and the building to have work completed. All work shall be cost at regular time unless otherwise agreed upon prior to work commencing.

DAMAGE ASSESSMENT: All damage to school property by contractor shall be repaired by the contractor. Prior to the commencement of work, the contractor will meet with the Director of Building and Grounds or designee to perform a property inspection. Any property damage or issues will be noted, and a report will be generated. A copy will be provided to the contractor, the Business Manager and the Director of Building and Grounds. After the work has been completed, the contractor or contractor's representative shall meet with the Director of Buildings and Grounds or designee to survey the same property for any related damage. Repairs must be completed prior to work acceptance and submittal of final invoice, unless contractor and the Director have agreed on another completion schedule.

PENALTY: Should contractor fail to perform services in accordance with this contract the City may choose to complete this work, and charges for such work completion shall be charged to the contractor and said charges may be deducted from payments to contractor under the agreement.

INSURANCE: A liability insurance policy protecting the South Portland School Department against claim for damages because of bodily injury, including death and property damage which may arise as a result of...
and/or during operations by the subcontractor, or any subcontractor either directly or indirectly employed by the contractor, shall be carried by the successful bidder. The School Department disclaims responsibilities for damages of all kinds.
