Old Business:

- Update on Open Space Committee
- Update on O'Neil Street vendor
- Update on Mildred Pond work
- Conservation Corner – next issue
- FWCF funding and report update: Megan has emailed Pat to ask him to attend an upcoming meeting in June or July. Until we meet with Pat, no additional context or updates at this time

New Business:

- Clarks Pond Apartment complex construction
 - What mitigation efforts are being planned?
 - What funds (if any) will go into the FWCF?
 - Does the Open Space Committee know about this construction/is this pertinent to the planning of open space in South Portland? (i.e., will they be developing on a designated open space?)
 - Who should be contacted for these questions?
