Solicitation of Bids
Bid #18-20

**TWO (2) NEW OR CURRENT YEAR ONE-TON CHASSIS WITH STAINLESS STEEL
DUMP BODIES WITH TWO (2) PLOWS, ONE (1) STAINLESS STEEL SPREADER,
ONE (1) STANDALONE,
AND ONE (1) NEW OR CURRENT YEAR 4WD DRIVE MID-SIZE SUV**

Sealed bid for furnishing TWO (2) NEW OR CURRENT YEAR ONE-TON CHASSIS WITH STAINLESS STEEL DUMP BODIES WITH TWO (2) PLOWS, ONE (1) STAINLESS STEEL SPREADER, ONE (1) STANDALONE, AND ONE (1) NEW OR CURRENT YEAR 4WD DRIVE MID-SIZE SUV, to the City of Public Works Department as specified below, in the attached specifications and proposal, will be received by the City Purchasing Agent, 25 Cottage Road, South Portland, Maine 04106, until 2:00 PM, Tuesday, October 8, 2019 at which time, they will be publicly opened and read aloud. Proposals received after the above stated day and time will not be considered.

Bids shall be submitted on the attached bid form in sealed envelopes, plainly marked "Bid #18-20 One Tons and SUV" and shall be addressed to the Purchasing Agent at the above address. Delivery to be made upon receipt of purchase order and shall be F.O.B., Public Works Department, 929 Highland Avenue, South Portland, Maine.

All equipment offered on this bid shall be brand-new and the latest type available. Bidder will state in his bid the name and model number of the equipment he is offering and will include with his bid a catalog or brochure marked to indicate the standard factory equipment of the model on which he is bidding. Bidder must attach a separate sheet to his bid listing any deviation from the minimum specifications shown. If no attachment is provided, it will be assumed that the item being bid meets the minimum specifications.

If the equipment offered by a bidder under the attached specifications meets the specifications except for minor factors or reasonably small amounts in dimensions, and if it shall be determined by the City that these minor variations from the specifications do not prevent the equipment being bid from performing as satisfactorily or from being as good as equipment fully meeting these specifications, then these minor variations from the specifications may be waived by the City, if it deems it to be to its advantage, and the equipment with the waived variations in specifications will be accepted as fully meeting these specifications.

Since a prompt delivery is required, delivery time, as well as price, may be a factor in determining the award of this bid.

The City of South Portland's Ford Fleet Identification Number is QF391.

Price shall include a 14-day plate and State of Maine Certificate of Title or Certificate of Origin, which shall be made out to the City of South Portland, Maine and mailed to the Purchasing Agent, P.O. Box 9422, and South Portland, Me 04116-9422. A copy of the title application is to be delivered with each vehicle. There shall be, within the Greater Portland area, a repair service which shall maintain a stock of spare parts for any make and model of any vehicle that a bidder offers in the proposal.

The City is requesting bids with and without trade-ins and will select the bid it deems to be in its best interest to select. It is the custom of the City of South Portland to pay its bills within 20 to 30 days following delivery of and receipt of bills for all items covered by the purchase order. In submitting bids under attached specifications, bidders should take into consideration all discounts, both trade and time, allowed in accordance with the above payment policy. All bidders should quote net prices, therefore, exclusive of all Federal Excise Taxes and Sales Taxes.

The City of South Portland reserves the right to waive all informalities in bids, to accept any bid or any portion thereof, or to reject any or all bids should it be deemed in its best interest to do so. Except as otherwise required by law or as specifically provided to the contrary herein, the City shall govern the award of this bid's purchasing ordinance.

Colleen C. Selberg
Purchasing Agent

SPECIFICATIONS

This specification is intended to describe **TWO (2) NEW OR CURRENT YEAR ONE-TON CHASSIS WITH STAINLESS STEEL DUMP BODIES WITH TWO (2) PLOWS, ONE (1) STAINLESS STEEL SPREADER, ONE (1) STANDALONE, ONE (1) NEW OR CURRENT YEAR 4WD DRIVE MID-SIZE SUV (NO DEMO OR USED)** to be used for various functions in the Public Works Department. This vehicle will be a regular production model for which published specifications are available. Modifications of the vehicle to meet operational requirements of this specification shall be limited to the manufacturers published and optional standards.

Bidders shall list and explain in writing any and all deviations from these specifications. Bidders shall provide sufficient detail and proof needed to assist the city in fully evaluating compliance with detailed specifications. Failure to do so may result in rejection of the bid in its entirety.

General Specifications

These Specifications are intended to Two (2) New or Current Year (No Demos or Used) One-Ton Chassis Trucks with Stainless Steel Dump Bodies, Two (2) 9 Ft. Stainless Steel V-blade Plows, and One (1) Stainless Steel Spreader with One (1) standalone and One (1) New or Current Model Year 4wd Drive Mid-Size SUV and is to conform to all EPA and DOT regulations in effect at the time of delivery. The vehicle shall be equipped with all standard equipment, components, and safety features necessary for operation and normally supplied, even if not identified in specifications. The equipment shall have full manufacturer's preparation, title, and be ready for service upon delivery. The equipment shall come with a full warranty and option of extended warranty.

The equipment will be delivered with all the proper paperwork to insure and register the equipment in a timely manner.
